336-9431

This number was taken from the Pima County Animal Control Website.

Wildlife removal is not a free service.

Simpsons Wildlife Rehab is no longer in operation, but Suzanne Simpson would help out or direct someone to the proper authorities 625-5368

Montana Vistas

GVFD <u>does not</u> remove bees. We will respond to a bee attack for a person or pet. Homeowners must call an exterminator or an organization that specializes in removal. Listed are a few organizations that <u>are not</u> exterminators but will help with a resident with information about bees and or bee swarms.

Larry Cederholm – Professional Bee/Wasp Removal 520-780-9962 The Bee Whisperer

Desert Swarm – Gary Williams, Owner 310-0707 Ed Bentley recommended them.

Scott Eshelman North Tucson

There is a fee involved for services, but he is happy to give advice over the phone at no charge. He doesn't use chemicals and will remove swarming bees, or established hives. 520-241-0096
