A Special Thanks...

To our neighbors in Desert Hills I and Desert Hill Townhomes from whom this special one acre is made available.

Welcome to...

THE ARID GARDEN

*Southern Arizona's only demonstration
garden free & open to the public*

Established in 1986

Mission

"Our mission is to maintain a peaceful & welcoming garden demonstrating the use of native & low-water plantings for the education & enjoyment of all area residents."

Support

Financial support by The Green Valley Gardeners, grants, and donations. Volunteer gardeners are members of The Green Valley Gardeners, a service club made up of gardeners.

Following are just a few examples of plantings that may be found in the Arid Garden...
